

## WHAT'S HAPPENING WITH FAMILY PROGRAMS?

## Art Around Town

In October 2009, the Columbus Museum of Art will begin a one-year renovation of our main building. Though the Museum will remain open and you can continue to visit with your family, our **1st Saturdays, Doodles, and Family Sundays** programs will take a brief, well-earned vacation. However, our staff will not! Instead, we will take family programs on the road as part of a new program called Art Around Town.

Each month, the **Art Around Town** program will take works of art from CMA's collection to a different Columbus community. Art Around Town will include gallery games, art making activities, Art Challenges, discussions, and more! And it may occur right in your own neighborhood.

The map at the right shows the communities Art Around Town will be visiting during 2009 - 2010. All will be free and open to the public; anyone is welcome to join. More specific information—including dates, times and locations—will be available on the Museum's website by early fall.

See you soon at Art Around Town!
