

Join Us Today!

Loud & Proud at CMA is the beginning of our first ever LGBTQ and Allied membership to the Museum. We plan to have two annual cocktail parties and three evenings with tours led by local drag personalities, docents, and leaders in the community. Artists are people, too, with lives and stories. We think that art comes to life when you know the story about the artist. We want to show that the Columbus Museum of Art's permanent collection encompasses many artists of diverse backgrounds.

We will highlight LGBTQ artists as well as art with relevant subject matter to the LGBTQ community.

Our message is that we're proud of our LGBTQ artists. We're proud of our collection. We are proud of you, our members.

We believe in great experiences with great art for everyone. So, let's get together, celebrate our diversity, and take in art while being Loud and Proud at CMA!
