**HOSTED BY COLUMBUS MUSEUM OF ART:

Creative Happy Hour invites you to bring a friend (virtually) who you miss seeing in real life and join CMA for a night of creative fun and connection. Grab your favorite drink, and come play, make art, and socialize during this special online event happening **Thursday, May 14, 5:45-7:00 pm on Zoom**. Register online to receive an email with the Zoom link.

MAKE DIY POSTCARD ART

Everyone could use a little love and creativity sent their way right now, so we will be making DIY postcard art from recycled materials. Create something unique to mail to a loved one letting them know you're thinking of them, or exchanges mailing addresses with another participant to send or receive art!

MAKING THE MOST OF YOUR EXPERIENCE

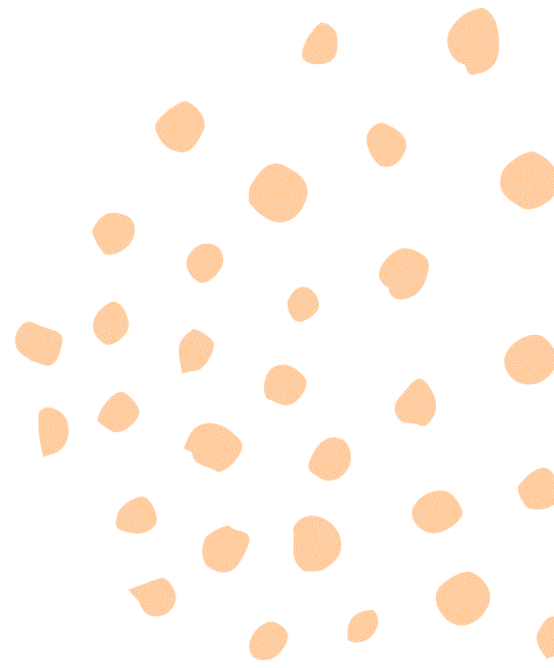

- Come to the event with all your supplies close by.
- Have an assortment of ephemera torn and ready to use. Find pieces, images, phrases that speak to you. Save the whole page or cut out around shapes, words or graphics.
- Challenge yourself to stick to a color theme or similar subject matter.
- Make sure you have a flat surface to work on and a trash can close by, there will be lots of scraps to recycle.
